Your Partner in Construction Excellence

A Company Born from a Modern Vision

Founded in 2012 by François Sansfaçon Hamel and Maxime Clermont, Groupe DCR was created from a desire to modernize practices within the construction industry.

Based primarily in the Greater Montreal area and its surroundings, we remain open to major project opportunities in more remote regions, including outside Quebec.

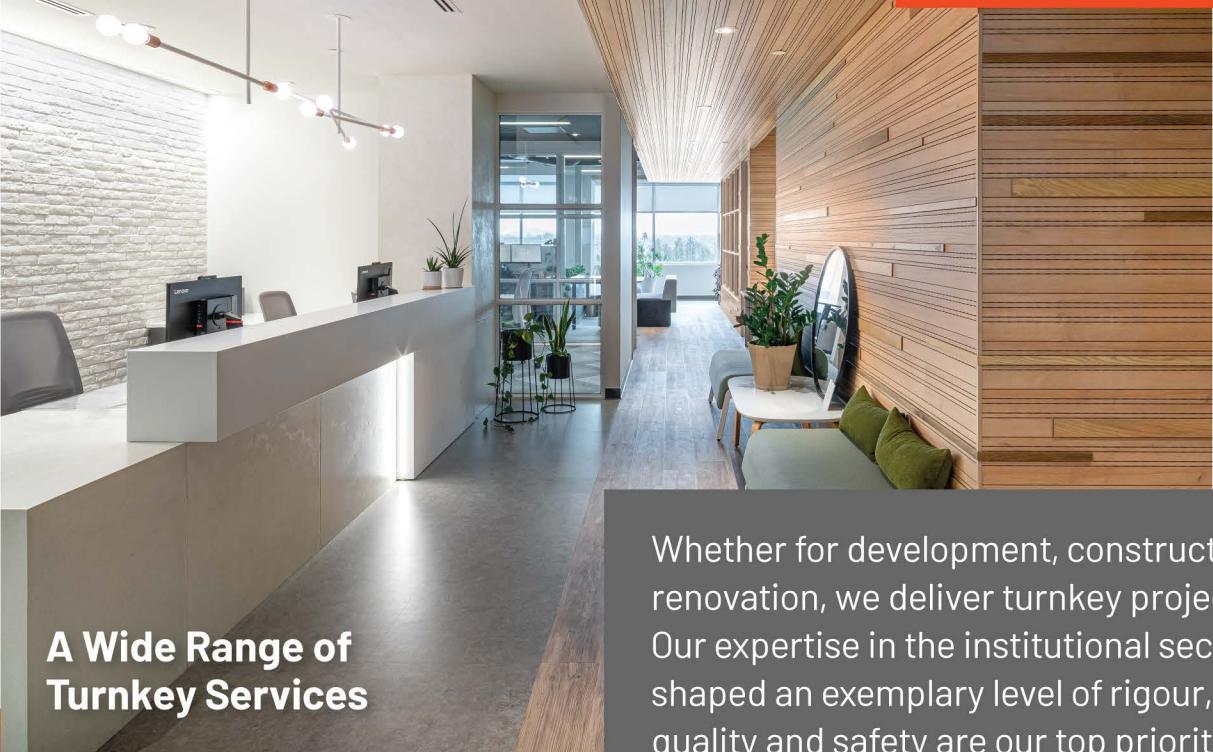

François S. Hamel

As a general contractor, we are committed to providing services that meet the highest standards in the industry.

With a dynamic and resourceful team, we deliver projects on schedule and within the established budgets, without ever compromising on quality. We firmly believe it is always possible to maintain a strong attention to detail while offering competitive pricing.

Maxime Clermont

A Wide Range of Turnkey Services

Whether for development, construction, or renovation, we deliver turnkey projects. Our expertise in the institutional sector has shaped an exemplary level of rigour, where quality and safety are our top priorities.

We also have extensive experience managing tight schedules.

A Proactive & Collaborative Approach

Communication is at the heart of our philosophy.

As project management experts, we surround ourselves with the best professionals to deliver results that exceed our clients' expectations.

By focusing on a proactive and collaborative approach, we take on complex challenges while leveraging our expertise and that of our many established partners.

Une gestion transparente et tournée vers l'avenir

Professionnalisme, savoir-faire et transparence sont les piliers de notre succès. Nous innovons continuellement dans nos méthodes de gestion de projet et maîtrisons les dernières technologies en construction, de la conception à la livraison.

Cette approche nous permet d'offrir une expérience client inégalée, en ciblant précisément vos besoins.

Bibliothèque de Westmount

A Commitment to Innovation & Excellence

We aspire to become a leading reference in construction in Quebec, notably by integrating artificial intelligence into our sector.

Our agile, client-focused team prioritizes quality execution while ensuring the continuous improvement of our organization.

We remain committed to excellence, constantly striving to refine and enhance our practices.

People at the Heart of Our Values

At Groupe DCR, we recognize the importance of every stakeholder in our ecosystem: employees, clients, partners, and the community.

We honour our values through concrete actions:

-  Involvement in multiple social causes (+8 hours of volunteer work per employee).
-  Training the next generation by welcoming numerous interns (from Quebec and France) and organizing student site visits on our construction projects.
-  Valuing our employees through excellent working conditions, ongoing training, and genuine opportunities within the company
-  Developing lasting relationships with our clients and partners, built on principles of ethics and trust.

Contact Us
